Bring application and an unofficial UNM transcript to the department you are applying to. (DO NOT MAIL). If you have transfer work, submit a copy of your Credit Evaluation or your transfer transcript also.

All applications are subject to departmental approval. (OVER)

COMPUTATION OF GPA ON TECHNICAL COURSES

The GPA on the Freshmen technical courses will be computed in the following way: Grades for all courses on the list will be used, including repeats, except where a student has requested that a grade be replaced with a new one and the request has been approved. Where a grade replacement has been approved, only the new grade will be used. Transfer grades will be evaluated (only on this form) as if they had been taken at UNM.
